**PROXY STATEMENT  
FOR THE ANNUAL MEETING OF STOCKHOLDERS  
To Be Held at 8:00 a.m. Pacific Time on May 20, 2021**

**GENERAL INFORMATION**

We are providing you with this Proxy Statement and the enclosed form of proxy in connection with the solicitation by our Board of Directors for use at our 2021 annual meeting of stockholders (the "Annual Meeting"). Due to the continuing coronavirus (COVID-19) pandemic, the Annual Meeting will be conducted virtually via live audio webcast by visiting [www.virtualshareholdermeeting.com/PLSE2021](http://www.virtualshareholdermeeting.com/PLSE2021) on May 20, 2021 at 8:00 a.m. Pacific Time. This Proxy Statement contains important information regarding our Annual Meeting, the proposals on which you are being asked to vote, information you may find useful in determining how to vote, and information about voting procedures. As used herein, "we," "us," "our," "Pulse Biosciences," or the "Company" refers to Pulse Biosciences, Inc., a Delaware corporation.

This Proxy Statement and the accompanying proxy card or voting instruction form will first be made available to our stockholders on or about April 14, 2021. See the section titled, "Fiscal Year 2020 Annual Report and SEC Filings" for information on accessing our 2020 Annual Report to Stockholders.

The information provided in the "question and answer" format below is for your convenience only and is merely a summary of the information contained in this Proxy Statement. You should read this entire Proxy Statement carefully. Information contained on or that can be accessed through our website is not intended to be incorporated by reference into this Proxy Statement and references to our website address in this Proxy Statement are inactive textual references only.

**QUESTIONS AND ANSWERS**

**What is a proxy?**

A proxy is your legal designation of another person to vote the stock you own. The person you designate is your "proxy," and you give the proxy authority to vote your shares by submitting the enclosed proxy card, or if available, voting by telephone or the Internet. We have designated Darrin R. Uecker and Sandra A. Gardiner to serve as proxies for the Annual Meeting.

**What matters will be voted on at the Annual Meeting?**

The following matters will be voted on at the Annual Meeting:

Proposal 1: To elect seven directors from the nominees named in this Proxy Statement to hold office until our 2022 annual meeting of stockholders and until their respective successors are duly elected and qualified, subject to earlier resignation or removal;

Proposal 2: To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021; and

Such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

**How does the Board of Directors recommend that I vote?**

The Board of Directors recommends that you vote:

- “FOR” the election of the seven directors nominated by our Board of Directors and named in this proxy statement; and
- “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021.

**Will there be any other items of business on the agenda?**

If any other items of business or other matters are properly brought before the Annual Meeting, your proxy gives discretionary authority to the persons named on the proxy card with respect to those items of business or other matters. The persons named on the proxy card intend to vote the proxy in accordance with their best judgment. Our Board of Directors does not intend to bring any other matters to be voted on at the Annual Meeting. We are not currently aware of any other matters that may properly be presented by others for action at the Annual Meeting.

**Who is entitled to vote at the Annual Meeting?**

Holders of our common stock at the close of business on March 31, 2021, which we refer to as the record date, may vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of our common stock held as of the record date. In deciding all matters at the Annual Meeting, each stockholder will be entitled to one vote for each share of our common stock held by them on the record date. Stockholders are not permitted to cumulate votes with respect to the election of directors.

A complete list of these stockholders will be available at [www.virtualshareholdermeeting.com/PLSE2021](http://www.virtualshareholdermeeting.com/PLSE2021) for ten days prior to the Annual Meeting. A stockholder may examine the list for any legally valid purpose related to the Annual Meeting.

**What is the difference between holding shares as a stockholder of record and as a beneficial owner?**

*Stockholders of Record.* You are a stockholder of record if at the close of business on the record date your shares were registered directly in your name with Broadridge Corporate Issuer Solutions, Inc., our transfer agent. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote on your own behalf at the Annual Meeting.

*Beneficial Owner.* You are a beneficial owner if, at the close of business on the record date, your shares were held by a brokerage firm, bank or other nominee and not in your name. Being a beneficial owner means that, like many of our stockholders, your shares are held in “street name.” As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by following the voting instructions your broker, bank or other nominee provides. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock at the Annual Meeting unless you follow your broker’s procedures for obtaining a legal proxy. Please see “*What if I do not specify how my shares are to be voted?*” for more information.

**Do I have to do anything in advance if I plan to attend the Annual Meeting?**

The Annual Meeting will be a virtual audio meeting of stockholders, which will be conducted via live audio webcast. You are entitled to participate in the annual meeting only if you were a holder of our common stock as of the close of business on March 31, 2021 or if you hold a valid proxy for the Annual Meeting.

To participate in the Annual Meeting, you will need the control number included on your notice or proxy card. The live audio webcast will begin promptly at 8:00 a.m. Pacific Time. We encourage you to access the meeting prior to the start time. Online check-in will begin at 7:45a.m. Pacific Time and you should allow ample time for the check-in procedures.

**How do I ask questions during the Annual Meeting?**

We are committed to ensuring our stockholders have the same rights and opportunities to participate in the Annual Meeting as if it been held in a physical location. If you wish to submit a question during the meeting, you may log into [www.virtualshareholdermeeting.com/PLSE2021](http://www.virtualshareholdermeeting.com/PLSE2021) and enter your 16-digit control number. Once past the login screen, click on "Question for Management," type in your question, and click "Submit."

Questions pertinent to meeting matters will be answered during the meeting, subject to time constraints. Questions regarding personal matters are not pertinent to meeting matters and therefore will not be answered.

**How can I get help if I have trouble checking in or listening to the meeting online?**

If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, please call the technical support number that will be posted on the log-in page at [www.virtualshareholdermeeting.com/PLSE2021](http://www.virtualshareholdermeeting.com/PLSE2021).

**How do I vote and what are the voting deadlines?**

*Stockholders of Record.* If you are a stockholder of record, there are several ways for you to vote your shares:

- **By mail.** If you received printed proxy materials, you may submit your vote by completing, signing and dating each proxy card received and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy card. Your completed, signed and dated proxy card must be received prior to the Annual Meeting.
- **By telephone or via the Internet.** You may vote your shares by telephone or via the Internet by following the instructions provided in the proxy card. We recommend that you have your proxy card in hand when voting by telephone or via the Internet. If you vote by telephone or via the Internet, you do not need to return a proxy card by mail. Internet and telephone voting are available 24 hours a day. Votes submitted by telephone or via the Internet must be received by 11:59 p.m. Eastern Time on May 19, 2021.
- **Attend the Annual Meeting.** You may vote at the Annual Meeting by following the instructions at [www.virtualshareholdermeeting.com/PLSE2021](http://www.virtualshareholdermeeting.com/PLSE2021). Please have your notice or proxy card in hand when you visit the website.

*Beneficial Owners.* If you are a beneficial owner of your shares, you will receive voting instructions from the broker, bank or other nominee holding your shares. You should follow the voting instructions provided by your broker, bank or nominee in order to instruct your broker, bank or other nominee on how to vote your shares. The availability of telephone and Internet voting will depend on the voting process of the broker, bank or nominee. Shares held beneficially may be voted at the Annual Meeting only if you obtain a legal proxy from the broker, bank or nominee giving you the right to vote the shares.

Whether or not you plan to attend the Annual Meeting, we request that you vote by proxy to ensure your vote is counted. To vote, you will need the control number. The control number will be included in the notice or on your proxy card if you are a stockholder of record, or included with your voting instructions received from your broker, bank or other nominee if you hold your shares of common stock in a "street name".

Internet proxy voting is provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. Please be aware that you must bear any costs associated with your Internet access.

**Can I revoke or change my vote after I submit my proxy?**

*Stockholders of Record.* If you are a stockholder of record, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

- signing and returning a new proxy card with a later date;
- entering a new vote by telephone or via the Internet by 11:59 p.m. Eastern Time on May 19, 2021;
- delivering a written revocation to our Corporate Secretary at Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward CA 94545 by 8:00 p.m. Eastern Time on May 19, 2021; or
- following the instructions at [www.virtualshareholdermeeting.com/PLSE2021](http://www.virtualshareholdermeeting.com/PLSE2021).

*Beneficial Owners.* If you are a beneficial owner of your shares, you must contact the broker, bank or other nominee holding your shares and follow their instructions on changing your vote.

**What if I do not specify how my shares are to be voted?**

*Stockholders of Record.* If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, your shares will be voted:

- "FOR" the election of the seven directors nominated by our Board of Directors and named in this Proxy Statement for a one-year term and until their successors are duly elected;
- "FOR" the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021; and
- In the discretion of the named proxies regarding any other matters properly presented for vote at the Annual Meeting.

**Beneficial Owners.** If you are a beneficial owner and you do not provide your broker, bank or other nominee with voting instructions, your broker, bank or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under the rules of The Nasdaq Stock Market, brokers, banks and other nominees do not have discretion to vote on non-routine matters such as Proposal 1 absent direction from you. Therefore, if you do not provide voting instructions to your broker, bank or other nominee, your broker, bank or other nominee may not vote your shares on Proposal 1.

**What constitutes a quorum, and why is a quorum required?**

A quorum is the minimum number of shares required to be present at the Annual Meeting for the Annual Meeting to be properly held under our bylaws and Delaware law. The presence (including by proxy) of a majority of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. As of the close of business on the record date of March 31, 2021, we had 26,397,886 shares of common stock outstanding and entitled to vote at the Annual Meeting, meaning that 13,198,944 shares of common stock must be represented at the Annual Meeting to constitute a quorum.

Your shares will be counted towards the quorum if you submit a proxy or vote at the Annual Meeting. Abstentions and broker non-votes will also count towards the quorum requirement. If there is not a quorum, a majority of the shares present at the Annual Meeting may adjourn the meeting to a later date.

**What is the effect of a broker non-vote?**

Brokers, banks or other nominees who hold shares of our common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. A broker non-vote occurs when a broker, bank or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting but will not be counted for purposes of determining the number of votes present and entitled to vote with respect to a particular proposal. Thus, a broker non-vote will not impact our ability to obtain a quorum and will not otherwise affect the outcome of the vote on a proposal that requires a plurality of votes cast (Proposal 1) or the approval of a majority of the votes present and entitled to vote (Proposal 2).

**What is the vote required for each proposal?**

<b>Proposal</b>	<b>Vote Required</b>	<b>Broker Discretionary Voting Allowed</b>
Proposal 1: Election of directors	Plurality of votes cast	No
Proposal 2: Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021	Majority of the shares entitled to vote and present (including by proxy)	Yes

With respect to Proposal 1, you may vote FOR or AGAINST any of the nominees for election as a director, or you may ABSTAIN from voting on any nominee. The election of directors requires a plurality vote of the shares of our common stock present (including by proxy) at the Annual Meeting and entitled to vote thereon to be approved. "Plurality" means that the nominees who receive the largest number of FOR votes are elected as directors. As a result, any shares not voted FOR a particular nominee (whether as a result of a vote AGAINST, a stockholder abstention or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election.

With respect to Proposal 2, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on this proposal, the abstention will have the same effect as a vote AGAINST Proposal 2.

**Who will count the votes?**

Broadridge Corporate Issuer Solutions, Inc. has been engaged to receive and tabulate stockholder votes. Broadridge will separately tabulate FOR and AGAINST votes, abstentions, and broker non-votes. Broadridge will also certify the election results and perform any other acts required by the Delaware General Corporation Law.

**Who is paying for the costs of this proxy solicitation?**

We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing, mailing and distribution of the proxy materials. Solicitations may be made personally or by mail, facsimile, telephone, messenger, or via the Internet by our personnel who will not receive additional compensation for such solicitation. In addition, we will reimburse brokerage firms and other custodians for their reasonable out-of-pocket expenses for forwarding the proxy materials to stockholders.

**Why hold an audio virtual Annual Meeting?**

We decided to hold a virtual meeting this year because of the public health risks associated with gathering our management, directors and stockholders for an in-person meeting during the continuing coronavirus (COVID-19) pandemic. We believe this format will also allow for greater participation of our stockholders, particularly since our stockholders' travel may be restricted due to COVID-19. Furthermore, our stockholders will be able to maintain the same rights and opportunities as they would have at an in-person meeting since they will have the opportunity to ask questions online.

**How can I find the results of the Annual Meeting?**

Preliminary results will be announced at the Annual Meeting. Final results also will be published in a Current Report on Form 8-K to be filed with the Securities and Exchange Commission (the "SEC") after the Annual Meeting.

**What does it mean if I receive more than one set of printed materials?**

If you receive more than one set of printed materials, your shares may be registered in more than one name and/or are registered in different accounts. Please follow the voting instructions on each set of printed materials, as applicable, to ensure that all of your shares are voted.

**I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?**

The SEC has adopted rules that allow a company to deliver a single proxy statement or annual report to an address shared by two or more of its stockholders. This method of delivery, known as “householding,” permits us to realize significant cost savings, reduces the amount of duplicate information stockholders receive, and reduces the environmental impact of printing and mailing documents to our stockholders. Under this process, certain stockholders will receive only one copy of our proxy materials and any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. Any stockholders who object to or wish to begin householding may notify our Investor Relations Department at 510-241-1077 or IR@pulsebiosciences.com or Investor Relations, Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545.

Beneficial owners may contact their broker, bank or other nominee to request information about householding.

**What is the deadline to propose actions for consideration at next year’s annual meeting of stockholders or to nominate individuals to serve as directors?**

**Stockholder Proposals for 2022 Annual Meeting**

The submission deadline for stockholder proposals to be included in our proxy materials for the 2022 annual meeting of stockholders pursuant to Rule 14a-8 of the Exchange Act is December 15, 2021 except as may otherwise be provided in Rule 14a-8. All such proposals must be in writing and received by our Corporate Secretary at Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545 by close of business on the required deadline in order to be considered for inclusion in our proxy materials for the 2022 annual meeting of stockholders. Submission of a proposal before the deadline does not guarantee its inclusion in our proxy materials.

**Advance Notice Procedure for 2022 Annual Meeting**

Under our Bylaws, director nominations and other business may be brought at an annual meeting of stockholders in accordance with the requirements of our Bylaws as in effect from time to time. For the 2022 annual meeting of stockholders, a stockholder notice must be received by our Corporate Secretary at Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545, not later than the close of business on the 45th day nor earlier than the close of business on the 75th day before the one-year anniversary of the date on which we first mailed proxy materials or a notice of availability of proxy materials (whichever is earlier) for the previous year’s annual meeting. However, if the 2022 annual meeting of stockholders is advanced by more than 30 days prior to, or delayed by more than 60 days after, the one-year anniversary of the 2021 Annual Meeting of Stockholders, then, for notice by the stockholder to be timely, it must be received by our Corporate Secretary not earlier than the close of business on the 120th day prior to the 2022 annual meeting of stockholders and not later than the close of business on the later of (i) the 90th day prior to the 2022 annual meeting of stockholders, or (ii) the 10th day following the day on which public announcement of the date of such annual meeting is first made. Please refer to the full text of our Bylaw provisions for additional information and requirements. A copy of our current Bylaws has been filed with our Annual Report on Form 10-K for the year ended December 31, 2020 and may be obtained by writing to our Corporate Secretary at the address listed in our proxy materials.

**Overview**

Our Board of Directors oversees our Chief Executive Officer and other senior management in the competent and ethical operation of our business and affairs and assures that the long-term interests of the stockholders are being served. Our Board of Directors has adopted Corporate Governance Guidelines that address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us in general. We believe that good governance leads to high board effectiveness, promotes the long-term interests of our stockholders, strengthens the accountability of our Board of Directors and management and improves our standing as a trusted member of the communities we serve.

**Board Leadership Structure**

Our Board of Directors believes that the roles of Chairman and Chief Executive Officer may be filled by the same or different individuals. This allows our Board of Directors to have the flexibility to determine whether the two roles should be combined or separated based upon the needs of the Company and our Board of Directors' assessment of our leadership from time to time. Our Board of Directors believes that, at this time, it is in the best interests of our Company and our stockholders to separate these roles and for Darrin R. Uecker to serve as our President and Chief Executive Officer and Robert W. Duggan to serve as Chairman of the Board of Directors.

Our Board of Directors has determined that the separation of the roles of Chairman of the Board of Directors and Chief Executive Officer is appropriate at this time as it allows our Chief Executive Officer to focus primarily on management responsibilities and corporate strategy, while allowing our Chairman to focus on leadership of the Board of Directors, providing feedback and advice to the Chief Executive Officer and providing a channel of communication between the members of our Board of Directors and the Chief Executive Officer. The Chairman of the Board of Directors presides over all Board meetings and works with the Chief Executive Officer to develop agendas for meetings of the Board of Directors. He also works with the Board of Directors to drive decisions about particular strategies and policies and, in concert with the independent committees of the Board of Directors, facilitates a performance evaluation process of the Board of Directors.

Given the separation of the roles of Chairman of the Board of Directors and Chief Executive Officer, the Board of Directors has not appointed a Lead Independent director. In the absence of the Chairman at a meeting of the Board of Directors, Mr. Uecker presides over the meeting, whereas during executive sessions of the independent directors, an independent director in attendance presides over the meeting and provides feedback from the executive session to the Chairman, Chief Executive Officer and other senior management.

**The Board of Director's Role in Risk Oversight**

Our management has day-to-day responsibility for identifying risks facing us, including implementing suitable mitigating processes and controls, assessing risks in relation to Company strategies and objectives, and appropriately managing risks in a manner that serves the best interests of the Company, our stockholders, and other stakeholders. Our Board of Directors is responsible for ensuring that an appropriate culture of risk management exists within the Company and for setting the right "tone at the top," overseeing our aggregate risk profile, and assisting management in addressing specific risks.

Generally, various committees of our Board of Directors oversee risks associated with their respective areas of responsibility and expertise. For example, our Audit Committee oversees, reviews and discusses with management and the independent auditor risks associated with our internal controls and procedures for financial reporting and the steps management has taken to monitor and mitigate those exposures; our Audit Committee also oversees the management of other risks, including those associated with credit risk. Our Compensation Committee oversees the management of risks associated with our compensation policies, plans and practices. Our Nominating and Corporate Governance Committee oversees the management of risks associated with director independence and the composition and organization of the Board of Directors. Our Science and Technology Committee oversees and assists our Board of Directors in its oversight of our strategies to make use of our science and technology. Management and other employees report to the Board of Directors and/or relevant committee from time to time on risk-related issues.

#### **Director Independence**

Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that each of Messrs. Duggan, Clark, Levinson, Soni and van den Broek and Dr. Zanganeh, representing six of our seven directors, is “independent” as that term is defined under the rules of The Nasdaq Stock Market and none of these directors has or has had a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board of Directors also determined that Messrs. Soni and van den Broek, and Dr. Zanganeh, who comprise our Audit Committee, Messrs. Soni, Levinson and van den Broek, who comprise our Compensation Committee, and Messrs. Clark, Duggan and Soni, who comprise our Nominating and Corporate Governance Committee, satisfy the independence standards for those committees established by applicable SEC rules, including Rule 10A-3 of the Exchange Act, and the rules of The Nasdaq Stock Market. In making this determination, our Board of Directors considered the relationships that each non-employee director has or has had with our Company and all other facts and circumstances that our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

The Board of Directors believes that the independence of the members of the Board of Directors satisfies the independence standards established by applicable SEC rules and the rules of The Nasdaq Stock Market.

#### **Director Nominations**

Candidates for nomination to our Board of Directors are selected by the Nominating and Corporate Governance Committee in accordance with the committee’s charter, and our Certificate of Incorporation and Bylaws. The Nominating and Corporate Governance Committee evaluates all candidates in the same manner and using the same criteria, regardless of the source of the recommendation.

The Nominating and Corporate Governance Committee may retain recruiting professionals to assist in identifying and evaluating candidates for director nominees. Our Board of Directors has adopted Corporate Governance Guidelines and the Nominating and Corporate Governance Committee has adopted Policies and Procedures for Director Candidates which sets out, among other things, that the Nominating and Corporate Governance Committee considers factors such as character, integrity, judgment, diversity of experience (including age, gender, international background, race and professional experience), independence, area of expertise, length of service, potential conflicts of interest, other commitments and the like. The Nominating and Corporate Governance Committee considers the following minimum qualifications to be satisfied by any nominee to the Board of Directors: the highest personal and professional ethics and integrity; proven achievement and competence in the nominee's field and the ability to exercise sound business judgment; skills that are complementary to those of the existing Board of Directors; the ability to assist and support management and make significant contributions to our success; and an understanding of the fiduciary responsibilities that is required of a member of the Board of Directors and the commitment of time and energy necessary to diligently carry out those responsibilities.

Such annual awards vest monthly over one year, provided such non-employee director continued to serve as a director through each vesting date.

**Audit Fees** consisted of professional services rendered in connection with the audit of our annual financial statements included in our Annual Report on Form 10-K and quarterly review of our financial statements included in our Quarterly Reports on Form 10-Q. This category also includes advice on accounting matters that arose during the audit or the review of interim financial statement.

**Audit-Related Fees** consisted of professional services for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees". These include services rendered in connection with the 2020 Rights Offering (as defined below) and a shelf registration statement filed in 2020.

**Tax Fees:** none.

**All Other Fees** consisted of expenses reimbursements and the subscription to an online technical tool.

The Audit Committee has concluded that the provision of the non-audit services listed above was compatible with maintaining the independence of Deloitte & Touche LLP.

**Policies and Procedures for Related Party Transactions**

We have adopted a formal written policy that our executive officers, directors, nominees for election as directors, beneficial owners of more than 5% of any class of our common stock and any member of the immediate family of any of the foregoing persons, are not permitted to enter into a related party transaction with us, where the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, without the prior consent of our Audit Committee, subject to the pre-approval exceptions described below. If advance approval is not feasible, then the related party transaction will be considered at the Audit Committee's next regularly scheduled meeting. In approving or rejecting any such proposal, our Audit Committee considers the facts and circumstances available and deemed relevant by our Audit Committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. Our Audit Committee has reviewed certain types of related party transactions that it has deemed pre-approved even if the aggregate amount involved will exceed \$120,000, including employment of executive officers, director compensation, certain transactions with other organizations at which a related party's only relationship is as a non-executive employee, director or beneficial owner of less than 10% of that organization's shares, transactions where all stockholders receive proportional benefits, transactions involving competitive bids, regulated transactions and certain banking-related services.

**Related Party Transactions**

In addition to the compensation arrangements, including employment, termination of employment and change in control arrangements discussed above in the sections titled "Director Compensation" and "Executive Compensation," we describe below transactions and series of similar transactions, since the beginning of our last fiscal year, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, nominees for director, executive officers or holders of more than 5% of our outstanding capital stock, or any immediate family member of, or person sharing the household with, any of these individuals or entities, had or will have a direct or indirect material interest.

**Retention of Wilson Sonsini Goodrich & Rosati, P.C.**

On November 2, 2017, Kenneth A. Clark was appointed to the Board of Directors. Mr. Clark is a member of the law firm of Wilson Sonsini Goodrich and Rosati, Professional Corporation ("Wilson Sonsini"), which is also outside corporate counsel to the Company. During the year ended December 31, 2020, we incurred expenses for legal services rendered by Wilson Sonsini totaling approximately \$1.3 million.

We believe that our arrangements with Wilson Sonsini were on terms no less favorable to us than would have been available from unrelated law firms of similar size and stature.

## **Rights Offering**

During June 2020, we completed a rights offering to purchase up to \$30 million of units, each unit consisting of one share of our common stock, par value \$0.001 per share, and 0.15 warrants to purchase shares of common stock (the "Units") at a price of \$7.01 per Unit (the "2020 Rights Offering"). The common stock and warrants comprising the Units separated upon the closing of the 2020 Rights Offering and were issued separately. A total of 4,279,600 shares of common stock and 641,571 warrants (the "Rights Offering Warrants") were issued and sold in the 2020 Rights Offering for net proceeds of approximately \$29.4 million. Each warrant was exercisable for one share of our common stock at an exercise price equal to \$7.01, the subscription price for the Units. The Rights Offering Warrants were subject to redemption by us for \$0.01 per warrant, with not less than 30 days written notice, if the volume weighted average price of our common stock equaled or exceeded 200% of the exercise price for the Rights Offering Warrants for 10 consecutive trading days, provided that we could not redeem the warrants prior to December 16, 2020, six months after the issuance date. On December 31, 2020, we met the requirements for redemption of these warrants and delivered a notice of redemption to redeem all of the outstanding warrants that remained unexercised at February 5, 2021 for the redemption price of \$0.01 per warrant. Pursuant to the redemption, we redeemed 5,139 warrants. Prior to the February 5, 2021 redemption date, 636,432 warrants were exercised, generating approximately \$4.5 million of total gross proceeds to us.

Robert W. Duggan, Chairman of our Board of Directors and the beneficial owner of approximately 43% of our outstanding common stock prior to the 2020 Rights Offering, participated in the 2020 Rights Offering and purchased an aggregate of 2,561,873 Units. As of March 31, 2021, Mr. Duggan is the beneficial owner of 45% of our outstanding common stock.

## **Registration Rights Agreements**

We are party to registration rights agreements and securities purchase agreements which provide, among other things, that certain holders of our outstanding common stock, including Robert W. Duggan and Mahkam Zanganeh, have the right to demand that we file a registration statement or request that their shares of our common stock be covered by a registration statement that we are otherwise filing.

## **D&O Insurance**

We determined not to renew our director and officer liability insurance policies due to disproportionately high premiums quoted by insurance companies. Instead, we entered into a letter agreement, dated May 12, 2020 with Robert W. Duggan (the "Letter Agreement"), pursuant to which Mr. Duggan agreed to personally provide indemnity coverage on substantially the same terms as our prior coverage program for a one-year period, and has deposited at least \$30 million of cash and/or marketable securities as security for such obligations. To the extent permissible by law, we will pay a fee of \$2.5 million to Mr. Duggan that shall be due on May 13, 2021, the last day of the one-year period, in consideration of the obligations set forth in the Letter Agreement. The other members of the Board of Directors are third-party beneficiaries under the Letter Agreement. As of March 31, 2021, the amount owed to Mr. Duggan under the Letter Agreement was \$2.2 million. Amounts owed under the Letter Agreement are recorded in the balance sheet under Accrued Liabilities.

**Loan Agreement**

On March 11, 2021, we entered into a loan agreement with Robert W. Duggan (the "Loan Agreement"), in connection with Mr. Duggan lending the principal sum of \$41.0 million to us. The Loan Agreement bears interest at a rate per annum equal to 5.0%, payable quarterly commencing on July 1, 2021. The interest rate payable under the Loan Agreement increases to 7.0% upon the occurrence of an Event of Default or a Material Adverse Effect, each as defined in the Loan Agreement. All unpaid principal amount of the Loan Agreement, together with any then unpaid and accrued interest, shall be payable at the earlier of (i) June 11, 2022 or (ii) when, upon the occurrence and during the continuance of an Event of Default, such amounts are declared due and payable by Mr. Duggan or made automatically due and payable, in each case, in accordance with the terms thereof, including any applicable cure periods as set forth in the Loan Agreement. A late payment fee equal to 2.0% will be applied to any payments received later than one (1) business day after the expiration of the applicable cure period. Upon five business days prior written notice to Mr. Duggan, we may prepay all or any portion of the amounts borrowed under the Loan Agreement, without premium or penalty. The Loan Agreement subjects us to certain affirmative and negative covenants. In addition, the Loan Agreement contains certain Events of Default.

**Other Transactions**

We have granted stock options to our executive officers and our directors. See the sections titled "Director Compensation" and "Executive Compensation," for a description of these stock options. In the ordinary course of business, we enter into offer letters and employment agreements with our executive officers. We have also entered into indemnification agreements with each of our directors and officers. The indemnification agreements and our certificate of incorporation and bylaws require us to indemnify our directors and officers to the fullest extent permitted by Delaware law.

**Executive Compensation**

The following is a discussion and analysis of compensation arrangements of our named executive officers (NEOs). **Employment Agreement with Darrin R. Uecker**

We entered into an employment agreement with Mr. Uecker, our Chief Executive Officer and President and a director, on September 8, 2015. The employment agreement has no specific term and constitutes at-will employment. Mr. Uecker's current annual base salary is \$520,000. Mr. Uecker is eligible for an annual target bonus in 2021 equal to 75% of his annual base salary, subject to achievement of performance objectives. Mr. Uecker is eligible to participate in employee benefit plans maintained from time to time by us of general applicability to other senior executives.

Mr. Uecker's employment agreement provided him the right to receive an option to purchase shares of our common stock equal to 3% of our fully diluted equity as of September 8, 2015 (the "Uecker Start Date Option"), and the right to receive an option to purchase shares of our common stock subsequent to the completion of the then planned IPO such that, including the Uecker Start Date Option, Mr. Uecker would hold options to purchase shares equal to 3% of our post-IPO fully diluted equity (the "IPO Option"). On October 5, 2016, Mr. Uecker and our Company entered into an amendment agreement (the "Uecker Amendment"), pursuant to which Mr. Uecker agreed to forgo receipt of the IPO Option until our stockholders approve a new equity incentive plan or an increase in the number of shares available under our 2015 Equity Incentive Plan. Pursuant to the Uecker Amendment, in exchange for Mr. Uecker forgoing receipt of the IPO Option, Mr. Uecker received (i) an option grant to purchase 187,286 shares of our common stock, which is a number of shares equal to the number of shares he would have been entitled to receive upon completion of the IPO, and (ii) a restricted stock grant with a grant date fair value equal to the product of (A) (i) the exercise price per share of the deferral grant, less (ii) \$4.00 per share, multiplied by (B) 187,286. In the event of a change in control that precedes the aforementioned option grant while Mr. Uecker is still an employee of our Company, Mr. Uecker would be entitled to receive a cash bonus equal to the consideration he would have received as a holder of a vested option to purchase 187,286 shares of our common stock at an exercise price of \$4.00 per share.

Pursuant to Mr. Uecker's employment agreement, if we experience a change of control, as such term is defined in Mr. Uecker's applicable option agreement, and Mr. Uecker remains an employee through the date of such change of control, the Uecker Start Date Option and IPO Option, to the extent outstanding and unvested, will fully vest and become exercisable. The Uecker Start Date Option and IPO Option will be exercisable for a 10-year period after the start date of employment.

If we terminate Mr. Uecker's employment other than for "cause," death, or disability or if he resigns for "good reason" as defined in his employment agreement, then, subject to his execution of a release of claims in our favor and Mr. Uecker's compliance with certain restrictive covenants set forth in his employment agreement Mr. Uecker is entitled to receive (i) continuing payments of Mr. Uecker's then-current base salary for a period of 12 months following his termination of employment, less applicable withholdings, (ii) accelerated vesting as to that portion of Mr. Uecker's then outstanding and unvested options that would have vested had Mr. Uecker remained an employee for twelve months following his termination date, and (iii) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for Mr. Uecker and his respective dependents until the earlier of (A) Mr. Uecker or his eligible dependents become covered under similar plans, or (B) the date upon which Mr. Uecker ceases to be eligible for coverage under COBRA.

As defined in Mr. Uecker's employment agreement, "cause" means Mr. Uecker's (i) conviction of, or plea of nolo contendere to, a felony or any crime involving fraud, embezzlement or any other act of moral turpitude, (ii) gross misconduct, (iii) unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom Mr. Uecker owes an obligation of nondisclosure as a result of Mr. Uecker relationship with the Company; (iv) willful breach of any obligations under any written agreement or covenant with the Company that is injurious to the Company; or (v) continued failure to perform his employment duties after Mr. Uecker has received a written demand of performance from the Company which specifically sets forth the factual basis for the Company's belief that Mr. Uecker has not substantially performed his duties and has failed to cure such non-performance to the Company's satisfaction within 30 business days after receiving such notice.

As defined in Mr. Uecker's employment agreement, "good reason" means Mr. Uecker's resignation within 30 days following the expiration of any Company cure period (discussed below) following the occurrence of one or more of the following, without Mr. Uecker's express written consent: (i) the assignment to Mr. Uecker of any duties beyond the generally recognized scope of employment of a company president and/or chief executive officer or the reduction of Mr. Uecker's duties or the removal of Mr. Uecker from his position and responsibilities as president or chief executive officer, either of which must result in a material diminution of Mr. Uecker's authority, duties, or responsibilities with the Company in effect immediately prior to such assignment; provided, however, if Mr. Uecker is provided with an alternative executive type position within the Company or its subsidiaries at the same or better compensation as proved herein or that a reduction in duties, position or responsibilities solely by virtue of the Company being acquired and made part of a larger entity will not constitute "good reason"; (ii) a reduction in Mr. Uecker's base salary (except where there is a reduction applicable to the management team generally of not more than 10% of Mr., Uecker's base salary); or (iii) a material change in the geographic location of Mr. Uecker's primary work facility or location; provided, that a relocation of less than 50 miles from Mr. Uecker's then present work location will not be considered a material change in geographic location. Mr. Uecker will not resign for good reason without first providing the Company with written notice of the acts or omissions constituting the grounds for "good reason" within 90 days of the initial existence of the grounds for "good reason" and a reasonable cure period of not less than 30 days following the date of such notice and such grounds for "good reason" have not been cured during such cure period.

In the event any payment to Mr. Uecker pursuant to his employment agreement would be subject to the excise tax imposed by Section 4999 of the Code as a result of a payment being classified as a parachute payment under Section 280G of the Code, Mr. Uecker will receive such payment as would entitle him to receive the greatest after-tax benefit, even if it means that we pay him a lower aggregate payment so as to eliminate the potential excise tax imposed by Section 4999 of the Code.

Mr. Uecker has also entered into our standard inventions assignment, confidentiality and non-competition agreement and our standard indemnification agreement for officers and directors.

#### **Employment Agreement with Sandra A. Gardiner**

We entered into an employment agreement with Ms. Gardiner, our Chief Financial Officer, Executive Vice President of Finance and Administration, Secretary and Treasurer of the Company, effective November 18, 2019. The employment agreement has no specific term and constitutes at-will employment. Ms. Gardiner's current annual base salary is \$420,000. Ms. Gardiner is eligible for an annual target bonus in 2021 of up to 50% of her base salary, subject to achievement of performance objectives. Ms. Gardiner is eligible to participate in employee benefit plans maintained from time to time by us of general applicability to other senior executives.

Ms. Gardiner's employment agreement provided her the right to receive an option to purchase shares under the 2017 Equity Incentive Plan to acquire 207,684 shares of common stock (the "Option Shares"). The Option Shares have the following vesting schedule: A) Fifty percent of the options will vest at a rate of 25% on the first anniversary of Ms. Gardiner's start date, as such term is defined in her employment agreement, and thereafter in equal amounts on annual basis over the three-year period starting with the first anniversary of the start date (as defined in her employment agreement); B) The other fifty percent of the options will vest based on the achievement of performance objectives, with vesting targets set at no less than 25% vesting per year upon achievement of said objectives, established by the Compensation Committee of the Board of Directors.

If we terminate Ms. Gardiner's employment for reasons other than "Cause," death, or disability or if she resigns for "Good Reason" as defined in her employment agreement, then, subject to her execution of a release of claims in our favor which will become effective by a certain date as defined in the employment agreement and Ms. Gardiner's continued compliance with certain restrictive covenants set forth in her employment agreement Ms. Gardiner is entitled to receive (i) continuing payments of her then-current base salary for a period of 12 months following her termination of employment, prorated for the portion of the year served assuming 100% achievement, payable with the first severance payment, less applicable withholdings, (ii) accelerated vesting as to that portion of Ms. Gardiner's then outstanding and unvested options that would have vested had she remained an employee for twelve months following her termination date, and (iii) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for Ms. Gardiner and her respective dependents until the earlier of (A) Ms. Gardiner or her eligible dependents become covered under similar plans, or (B) the date upon which Ms. Gardiner ceases to be eligible for coverage under COBRA.

As defined in Ms. Gardiner's employment agreement, "Cause" is defined as (i) Ms. Gardiner's conviction of, or plea of nolo contendere to, a felony or any crime involving fraud, embezzlement or any other act of moral turpitude, (ii) Ms. Gardiner's gross misconduct, (iii) Ms. Gardiner's unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom Ms. Gardiner owes an obligation of nondisclosure as a result of Ms. Gardiner's relationship with the Company; (iv) Ms. Gardiner's willful breach of any obligations under any written agreement or covenant with the Company that is injurious to the Company; or (v) Ms. Gardiner's continued failure to perform Ms. Gardiner's employment duties after Ms. Gardiner has received a written demand for performance from the Company which specifically sets forth the factual basis for the Company's belief that Ms. Gardiner has not substantially performed Ms. Gardiner's duties and has failed to cure such non-performance to the Company's satisfaction within thirty (30) business days after receiving such notice.

As defined in Ms. Gardiner's employment agreement, "Good Reason" means Ms. Gardiner's resignation within thirty (30) days following the expiration of any Company cure period (discussed below) following the occurrence of one or more of the following, without Ms. Gardiner's express written consent: (i) the assignment to Ms. Gardiner of any duties beyond the generally recognized scope of employment of a company Chief Financial Officer or the reduction of Ms. Gardiner's duties or the removal of Ms. Gardiner from Ms. Gardiner's position and responsibilities as Chief Financial Officer, either of which must result in a material diminution of Ms. Gardiner's authority, duties, or responsibilities with the Company in effect immediately prior to such assignment; provided, however, if the Ms. Gardiner is provided with an alternative executive type position within the Company or its subsidiaries at the same or better compensation as proved herein or that a reduction in duties, position or responsibilities solely by virtue of the Company being acquired and made part of a larger entity will not constitute "Good Reason"; (ii) a reduction in Ms. Gardiner's Base Salary (except where there is a reduction applicable to the management team generally of not more than 10% of Ms. Gardiner's Base Salary); or (iii) a material change in the geographic location of Ms. Gardiner's primary work facility or location; provided, that a relocation of less than fifty (50) miles from Ms. Gardiner's then present work location will not be considered a material change in geographic location. Ms. Gardiner will not resign for Good Reason without first providing the Company with written notice of the acts or omissions constituting the grounds for "Good Reason" within ninety (90) days of the initial existence of the grounds for "Good Reason" and providing a cure period of not less than thirty (30) days following the date of such notice and such grounds for "Good Reason" have not been cured during such cure period.

In the event any payment to Ms. Gardiner pursuant to her employment agreement would be subject to the excise tax imposed by Section 4999 of the Code as a result of a payment being classified as a parachute payment under Section 280G of the Code, Ms. Gardiner will receive such payment as would entitle her to receive the greatest after-tax benefit, even if it means that we pay her a lower aggregate payment so as to eliminate the potential excise tax imposed by Section 4999 of the Code.

Ms. Gardiner has also entered into our standard inventions assignment, confidentiality and non-competition agreement and our standard indemnification agreement for officers and directors.

#### **Employment Agreement with Edward A. Ebbers**

We entered into an employment agreement with Mr. Ebbers, our Executive Vice President and General Manager, Dermatology, on June 26, 2016. The employment agreement has no specific term and constitutes at-will employment. Mr. Ebbers' current annual base salary is \$340,000. Mr. Ebbers is eligible for an annual target bonus in 2021 equal to 50% of his annual base salary, subject to achievement of performance objectives. Mr. Ebbers is eligible to participate in employee benefit plans maintained from time to time by us of general applicability to other senior executives.

Mr. Ebbers' employment agreement provided him the right to receive an option to purchase shares of our Common Stock equal to 0.75% of the Company's fully diluted equity as of June 26, 2016 (the "Ebbers Start Date Option"). The Ebbers Start Date Option is exercisable for a 10-year period after the start date of employment.

If we terminate Mr. Ebbers' employment other than for "cause," death, or disability or if he resigns for "good reason" as defined in his employment agreement, then, subject to his execution of a release of claims in our favor and Mr. Ebbers' compliance with certain restrictive covenants set forth in his employment agreement, Mr. Ebbers is entitled to receive (i) continuing payments of Mr. Ebbers' then-current base salary for a period of 6 months following his termination of employment, less applicable withholdings, (ii) Mr. Ebbers' annual target bonus for the year of termination, prorated for the portion of the year served (iii) accelerated vesting as to that portion of Mr. Ebbers' then outstanding and unvested options that would have vested had Mr. Ebbers remained an employee for twelve months following his termination date, and (iv) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for Mr. Ebbers and his respective dependents until the earlier of (A) Mr. Ebbers or his eligible dependents become covered under similar plans, or (B) the date upon which Mr. Ebbers ceases to be eligible for coverage under COBRA.

As defined in Mr. Ebbers' employment agreement, "cause" means Mr. Ebbers' (i) conviction of, or plea of nolo contendere to, a felony or any crime involving fraud, embezzlement or any other act of moral turpitude, (ii) gross misconduct, (iii) unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom Mr. Ebbers owes an obligation of nondisclosure as a result of Mr. Ebbers relationship with the Company; (iv) willful breach of any obligations under any written agreement or covenant with the Company that is injurious to the Company; or (v) continued failure to perform his employment duties after Mr. Ebbers has received a written demand of performance from the Company which specifically sets forth the factual basis for the Company's belief that Mr. Ebbers has not substantially performed his duties and has failed to cure such non-performance to the Company's satisfaction within 30 business days after receiving such notice.

As defined in Mr. Ebbers' employment agreement, "good reason" means Mr. Ebbers' resignation within 30 days following the expiration of any Company cure period (discussed below) following the occurrence of one or more of the following, without Mr. Ebbers' express written consent: (i) assignment to Mr. Ebbers of any duties beyond the generally recognized scope of employment of a company chief financial officer and senior vice president finance and administration or the reduction of Mr. Ebbers' duties or the removal of Mr. Ebbers from his position and responsibilities as vice president and general manager, dermatology, either of which must result in a material diminution of Mr. Ebbers' authority, duties, or responsibilities with the Company in effect immediately prior to such assignment; provided, however, if Mr. Ebbers is provided with an alternative executive type position within the Company or its subsidiaries at the same or better compensation as proved herein or that a reduction in duties, position or responsibilities solely by virtue of the Company being acquired and made part of a larger entity will not constitute "good reason"; (ii) a reduction in Mr. Ebbers' base salary (except where there is a reduction applicable to the management team generally of not more than 10% of Mr. Ebbers' base salary); or (iii) a material change in the geographic location of Mr. Ebbers' primary work facility or location; provided, that a relocation of less than 50 miles from Mr. Ebbers' then present work location will not be considered a material change in geographic location. Mr. Ebbers will not resign for good reason without first providing the Company with written notice of the acts or omissions constituting the grounds for "good reason" within 90 days of the initial existence of the grounds for "good reason" and a reasonable cure period of not less than 30 days following the date of such notice and such grounds for "good reason" have not been cured during such cure period.

In the event any payment to Mr. Ebbers pursuant to his employment agreement would be subject to the excise tax imposed by Section 4999 of the Code as a result of a payment being classified as a parachute payment under Section 280G of the Code, Mr. Ebbers will receive such payment as would entitle him to receive the greatest after-tax benefit, even if it means that we pay him a lower aggregate payment so as to eliminate the potential excise tax imposed by Section 4999 of the Code.

Mr. Ebbers has also entered into our standard inventions assignment, confidentiality and non-competition agreement and our standard indemnification agreement for officers and directors.

## AUDIT COMMITTEE REPORT

*The following audit committee report shall not be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, and shall not otherwise be deemed filed under these acts, except to the extent we specifically incorporate by reference into such filings.*

Our Audit Committee is composed of “independent” directors, as determined in accordance with Nasdaq Stock Market’s Rules and Rule 10A-3 of the Exchange Act. The Audit Committee has certain duties and powers as described in its written charter adopted by the Board of Directors. A copy of the charter can be found on our website at [www.pulsebiosciences.com](http://www.pulsebiosciences.com).

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors with its oversight responsibilities regarding the integrity of our financial statements, our compliance with legal and regulatory requirements, assessing the independent auditor’s qualifications and independence, the performance and scope of independent audit procedures performed on our financial statements and internal control, and management’s process for assessing the adequacy of our system of internal control. Management is responsible for preparation, presentation, and integrity of our financial statements as well as our financial reporting process, accounting policies, internal control over financial reporting, and disclosure controls and procedures. The independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee’s responsibility is to monitor and oversee these processes.

The Audit Committee has:

- reviewed and discussed our audited financial statements with management and Deloitte & Touche LLP, the independent auditors;
- discussed with Deloitte & Touche LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the “PCAOB”) and the SEC;
- received from Deloitte & Touche LLP the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent auditors’ communications with the Audit Committee concerning independence and discussed with the auditors their independence; and
- Discussed with Deloitte & Touche LLP critical audit matters included in their audit opinion.

In addition, the Audit Committee has regularly met separately with management and with Deloitte & Touche LLP, and further to the matters specified above, has discussed with Deloitte & Touche LLP the overall scope, plans, and estimated costs of its audit. The Audit Committee met with Deloitte & Touche LLP periodically to discuss the results of their examinations, the overall quality of our financial reporting, and their reviews of the quarterly financial statements.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2020 for filing with the SEC.

**Section 16(a) Beneficial Ownership Reporting Compliance****Delinquent Section 16(a) Reports**

Section 16(a) of the Exchange Act requires that our executive officers and directors and other persons who beneficially own more than 10% of a registered class of our equity securities file with the SEC reports of ownership and reports of changes in ownership of shares and other equity securities. Such executive officers and directors and other persons who beneficially own more than 10% of a registered class of our equity securities are required by the SEC to furnish us with copies of all Section 16(a) reports filed by such reporting persons.

Based solely on our review of such forms furnished to us or written representations provided to us by the reporting person, we are aware of no late Section 16(a) reports required to be filed by our executive officers, directors and other persons who beneficially own more than 10% of a registered class of our equity securities in the year ended December 31, 2020 other than: (i) a Form 3A filed for Mitchell E. Levinson on June 11, 2020 correcting the original Form 3 filed on March 19, 2019 to report 3,835 shares of our common stock held by certain members of Mr. Levinson's immediate family inadvertently omitted from the original Form 3; (ii) a delinquent Form 4 filed for Mr. Levinson on December 23, 2020 reporting the acquisition of shares of our common stock by Mr. Levinson via the exercise of a warrant to purchase 856 shares of our common stock on October 8, 2020; and (iii) a delinquent Form 4 filed for Sandra A. The submission deadline for stockholder proposals to be included in our proxy materials for the 2022 annual meeting of stockholders pursuant to Rule 14a-8 of the Exchange Act is December 15, 2021 except as may otherwise be provided in Rule 14a-8. **Advance Notice Procedure for 2022 Annual Meeting**

Under our Bylaws, director nominations and other business may be brought at an annual meeting of stockholders in accordance with the requirements of our Bylaws as in effect from time to time. For the 2022 annual meeting of stockholders, a stockholder notice must be received by our Corporate Secretary at Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545, not later than the close of business on the 45th day nor earlier than the close of business on the 75th day before the one-year anniversary of the date on which

Please refer to the full text of our Bylaw provisions for additional information and requirements. A copy of our current Bylaws has been filed with our Annual Report on Form 10-K for the year ended December 31, 2020 and may be obtained by writing to our Corporate Secretary at the address listed in our proxy materials.

#### **Stockholders Sharing the Same Address**

The SEC has adopted rules that allow a company to deliver a single proxy statement or annual report to an address shared by two or more of its stockholders. This method of delivery, known as "householding," permits us to realize significant cost savings, reduces the amount of duplicate information stockholders receive, and reduces the environmental impact of printing and mailing documents to our stockholders. Under this process, certain stockholders will receive only one copy of our proxy materials and any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. Any stockholders who object to or wish to begin householding may notify our Investor Relations Department at [IR@pulsebiosciences.com](mailto:IR@pulsebiosciences.com) or Investor Relations, Pulse Biosciences, Inc., 3957 Point Eden Way, Hayward, CA 94545.

#### **Fiscal Year 2020 Annual Report and SEC Filings**
