Explanation of Responses:

1. On February 14, 2022, the reporting person was granted an option to purchase 150,000 shares of the Issuer's common stock. The option vests upon the achievement of performance objectives, with vesting targets of 25% vesting per year upon achievement of said objectives established by the Issuer's Compensation Committee, subject to the reporting person's continued service through each vesting date. The performance objectives for 2022 were met, resulting in the vesting of the option as to 25,000 shares.
